[Virtual Issue No.3]

### **Key writing points of the paper**

#### **Editorial Comment**

The paper needs to express the discussion of the theme through certain structural patterns and constituent elements. If the lack of constituent parts of the paper not only affects its readability, but also affects its value, and even makes readers doubt the credibility of its content. This virtual issue collection summarizes the papers about the main points of writing, to provide a reference.

#### **Paper writing: Basic requirements and common structural patterns of title**

Luying Liu

Resources Data Journal, 2022, 1, 38-40. DOI: [https://doi.org/10.50908/rdj.1.0\\_38](https://doi.org/10.50908/rdj.1.0_38)

#### **Writing essentials: Quasi-academic column articles**

Xinxia Cao

Geographical Research Bulletin, 2022, 1, 69-70. DOI: [https://doi.org/10.50908/grb.1.0\\_69](https://doi.org/10.50908/grb.1.0_69)

#### **Writing essentials of data paper in Resources Data Journal**

Xinxia Cao

Geographical Research Bulletin, 2022, 1, 99-101. DOI: [https://doi.org/10.50908/grb.1.0\\_99](https://doi.org/10.50908/grb.1.0_99)

#### **Discussion on the structural model and constituent elements of data papers**

Xiaozheng Liu

Resources Data Journal, 2022,1, 2-9. DOI: [https://doi.org/10.50908/rdj.1.0\\_2](https://doi.org/10.50908/rdj.1.0_2)

#### **Data papers: An important type of academic articles**

Xinxia Cao

Resources Data Journal, 2022,1, 10-16. DOI: [https://doi.org/10.50908/rdj.1.0\\_10](https://doi.org/10.50908/rdj.1.0_10)

#### **Discussion on the improvement of the teaching mode of undergraduate thesis writing course: Concurrent discussion of the teaching model of seminar course in Japan**

Daxia Cao, Xiaofan Zhang

Geographical Research Bulletin, 2022, 1, 16-24. DOI: [https://doi.org/10.50908/grb.1.0\\_16](https://doi.org/10.50908/grb.1.0_16)
